

OFFSET AVIATION SNIPS

2400L | 2401R | 2402S

AVAILABLE IN THREE STYLES

left, right, and straight cutting

COLOR-CODED CONTOURED HANDLES

CUTS UP TO 18-GAUGE COLD-ROLLED AND 22-GAUGE STAINLESS STEEL SHEET METAL

Cut and trim sheet metal in comfort with the Klein Tools Offset Aviation Snips. The blades are made of forged, heat-treated steel for strength and durability. The offset blade design makes it easier to cut in tight curves and keep the user's hand away from the metal. The contoured plastic handles with thumb guards are comfortable to grip and color-coded by cutting pattern. Available in three cutting styles: left, right, and straight cutting.

Cat. No.	UPC 0-92644+	Description	Handle Color
2400L	76156-0	Offset Left-Cutting Aviation Snips	Red
2401R	76157-7	Offset Right-Cutting Aviation Snips	Green
2402S	76158-4	Offset Straight-Cutting Aviation Snips	Yellow
