

Bracket

FAS L

Cablofil Wiremesh Cable Tray concept based upon performance, safety and economy; three qualities which make Cablofil Wiremesh Cable Tray system preferred by installers. Cablofil adapts to the most complex configurations, and its structure gives maximum strength for minimum weight. The ease of creating fittings, carried out on site, as well as the wide range of unique and universal accessories gives complete freedom in routing combined with exceptionally fast installation.

features & benefits

- For installation of Cablofil tray onto walls.
- Reduce installation time - patented FAS style attachment holds cable tray secure without nuts and bolts.
- Order "width" to match tray.
