

15' FISH TAPE

FLIP OUT HANDLE | METAL BELT CLIP | GLOW-IN-THE-DARK TIP

This IDEAL reel type fish tape offers an innovative easy to use solution for fishing power wires, speaker wire, TV cables and network cables on shorter runs through walls, over ceilings and in conduit. This mini fish tape features a 15 foot long steel tape that lies flat when extended, packaged into a compact case designed with easy to grip contours, a flip out reel style retraction system, glow-in-the-dark tip and metallic belt clip. This tool is a perfect solution for every short run wiring project in or out of conduit.

- Compact design with fold out reel style case.
- High visibility, glow-in-the-dark molded tip for ease of use in dark areas.
- 15 ft. flat steel lies flat when extended making it easy to use in many applications.
- Metal belt clip installed for durable options when using and storing.
