

GROUND ROD DAWG™

DRIVE GROUND RODS SAFELY IN SECONDS

iTOOLco.

Safely drive 1/2", 3/8", 5/8", and 3/4" rods from the ground in under a minute with iTOOLco's Ground Rod Dawg™. Once rod is driven down far enough the tool will hammer from top to finish driving rod under grade levels from ground.

Safely drive rods from ground

Tool locks into hammer drill

Fits 1/2", 5/8" and 3/4"

FASTER SAFER WORKSPACE

WE HAD A LARGE DATA CENTER THAT REQUIRED GROUND RODS TO BE DRIVEN ALL AROUND THE BUILDING. The iTOOLco Ground Rod Dawg™ was a real time saver and provided safety we never knew existed. We used to drag a ladder around and drive rods from the top. Not anymore! Thanks for another fantastic tool iTOOLco.
