

nVent CADDY 512SA

CONNECT AND PROTECT

512SA T-Grid Box Hanger

The nVent CADDY 512SA T-Grid Box Hanger is designed to answer the challenge of accommodating multiple electrical box depths and acoustical tile reveal options in industrial ceilings. The 512SA easily snaps into place, with tool-free installation saving time and increasing efficiency on the jobsite. For added flexibility, the 512SA can be adjusted with the push of a button – an important feature for overhead installation projects.

FEATURES

- Ready to use out of the box with no field assembly required
- Tool-free installation to electrical boxes, no hardware necessary
- Easy, snap-on t-grid clips with push-button adjustability
- Supports market-leading range of electrical box depths
- Easily accommodates multiple boxes with additional nVent CADDY 512X Electrical Box Mounting Clip (sold separately)
- Drop-wire attachment points at t-grid and electrical box clips

Material: Steel; Spring Steel
Finish: Pregalvanized; nVent CADDY Armour

512X Electrical Box Mounting Clip

The nVent CADDY 512X Electrical Box Mounting Clip secures electrical boxes to an acoustical application regardless of box type, providing efficiency on the jobsite. The installation is intuitive and tool free, eliminating the challenge of maintaining loose hardware while still being secure and easy to mount. The 512X clips directly onto the nVent CADDY 512SA T-Grid Box Hanger for a complete electrical solution in an industrial ceiling.

FEATURES

- Used to support additional boxes from 512SA T-Grid Box Hanger
- Tool-free installation to electrical boxes, no hardware necessary
- Drop-wire attachment point
